## **DAY 01 | SUNDAY, MAY 03 ARRIVE AT GORAKHPUR**

Arrive at Gorakhpur by late afternoon and check-in at hotel. We will install the decals on the Cars in the evening, followed by a briefing session and dinner at Hotel..

STAY Sarovar Portico, Gorakhpur

## **DAY 02 | MONDAY, MAY 04 GORAKHPUR - SONAULI - CHITWAN 215 KMS | 07 HRS 30 MIN**

After breakfast, we drive towards Sonauli via NH-24, enjoying a smooth run up to the India-Nepal border.

After completing entry formalities we stop for lunch at Bhairahawa and continue to drive to Chitwan National Park.

STAY Hotel Green Park, Chitwan or similar

## **DAY 03 | TUESDAY, MAY 05 CHITWAN - BATTAR - SYAPRUBESI 180 KMS | 09 HRS**

We leave early after Breakfast at Hotel from the plains and begin our ascent into the Himalayas Driving alongside the Trishuli River, we pass through Mugling and Dhunche, with roads becoming narrower and more scenic. The day sets the tone for mountain driving and off-roading over bad patches in Nepal

STAY Hotel Kailash

**DAY 04 | WEDNESDAY, MAY 06****SYAPRUBESI GYIRONG****45 KMS | 04 HRS | ALT 2700M**

We drive a short distance to the Rasuwagadhi border, where we complete Nepal exit and China entry formalities. Once we cross into Tibet, we officially enter the Tibet Autonomous Region. We keep the drive short to help with acclimatisation, allowing our bodies to begin adjusting to altitude.

STAY Qo Mc Lang Zong Hotel or similar

**DAY 05 | THURSDAY, MAY 07****GYIRONG - SAGA****235 KMS | 06 HRS | ALT 4600M**

Today we experience our first long drive on the Tibetan plateau. Vast open landscapes, snow-capped peaks, and smooth black topped high-altitude highways define the day. We maintain a steady pace, hydrate well, and monitor each other for altitude-related symptoms as we gain significant elevation to reach SAGA.

STAY Vienna Sanhao Hotel

**DAY 06 | FRIDAY, MAY 08**  
**SAGA - MANSAROVAR**  
**450 KMS 110 HRS | ALT 4600M**

This is one of the most anticipated days of the expedition. As we drive towards Lake Mansarovar, the landscape becomes increasingly spiritual and surreal.

Weather permitting, we may get our first glimpse of Mount Kailash, a deeply moving moment for everyone in the convoy. We reach Mansarovar and check in at the hotel.

STAY Mansarovar Hot Spring Hotel or similar

**DAY 07 | SATURDAY, MAY 09**  
**MANSAROVAR KORA - DARCHEN**  
**90 KMS | 05-04 HRS | ALT 4600M**

We begin the day with a holy parikrama (kora) of Lake Mansarovar by vehicle, stopping at sacred points for prayer and reflection.

Later, we drive to Darchen, the base town for the Mount Kailash Parikrama, where we prepare for the trek ahead.

STAY Ouguan Tianqi Hengyang or similar

**DAY 08 | SUNDAY, MAY 10**  
**DARCHEN - YAM DWAR - DIRAPUK**  
**05 KMS + 12 KMS TREK | 06 HRS | ALT 5100M**

We drive 6kms to Yam Dwar, the official start of the Kai Iash Parikrama. From here, we begin our trek ( or horse ride) along the Lha Chu va I ley. By afternoon, we reach Dirapuk, standing face-to-face with the majestic North Face of Mount Kai Iash-a moment of awe and humility.

STAY Dirapuk Guest House (Shared Rooms)

**DAY 09 | MONDAY, MAY 11**  
**DIRAPUK - DOLMA LA - GAURI KUND - ZUTHULPHUK 22 KMS**  
**TREK | 10-09 HRS | ALT 5600M**

The journey from Dirapuk to Zuthulphuk is the most challenging and spiritually intense part of the Kailash Kora, involving the crossing of Dolma La Pass (5,645 m) and Gauri Kund.

It is marked by high-altitude terrain, steep ascents and descents, and breathtaking views that test both endurance and faith.

STAY Zuthulphuk Guest House (Shared Rooms)

**NOTE: Entire group will take a unilateral decision whether to continue the trek beyond Dirapuk or return to Darchen**

**DAY 10 | TUESDAY, MAY 12**  
**ZUTHULPHUK- DARCHEN - SAGA**  
**450 KMS 110 HRS | ALT 4600M**

After the intensity of the parikrama, we begin our return journey. The drive back to Saga allows us time to rest, reflect, and recover while still enjoying the vast Tibetan landscapes.

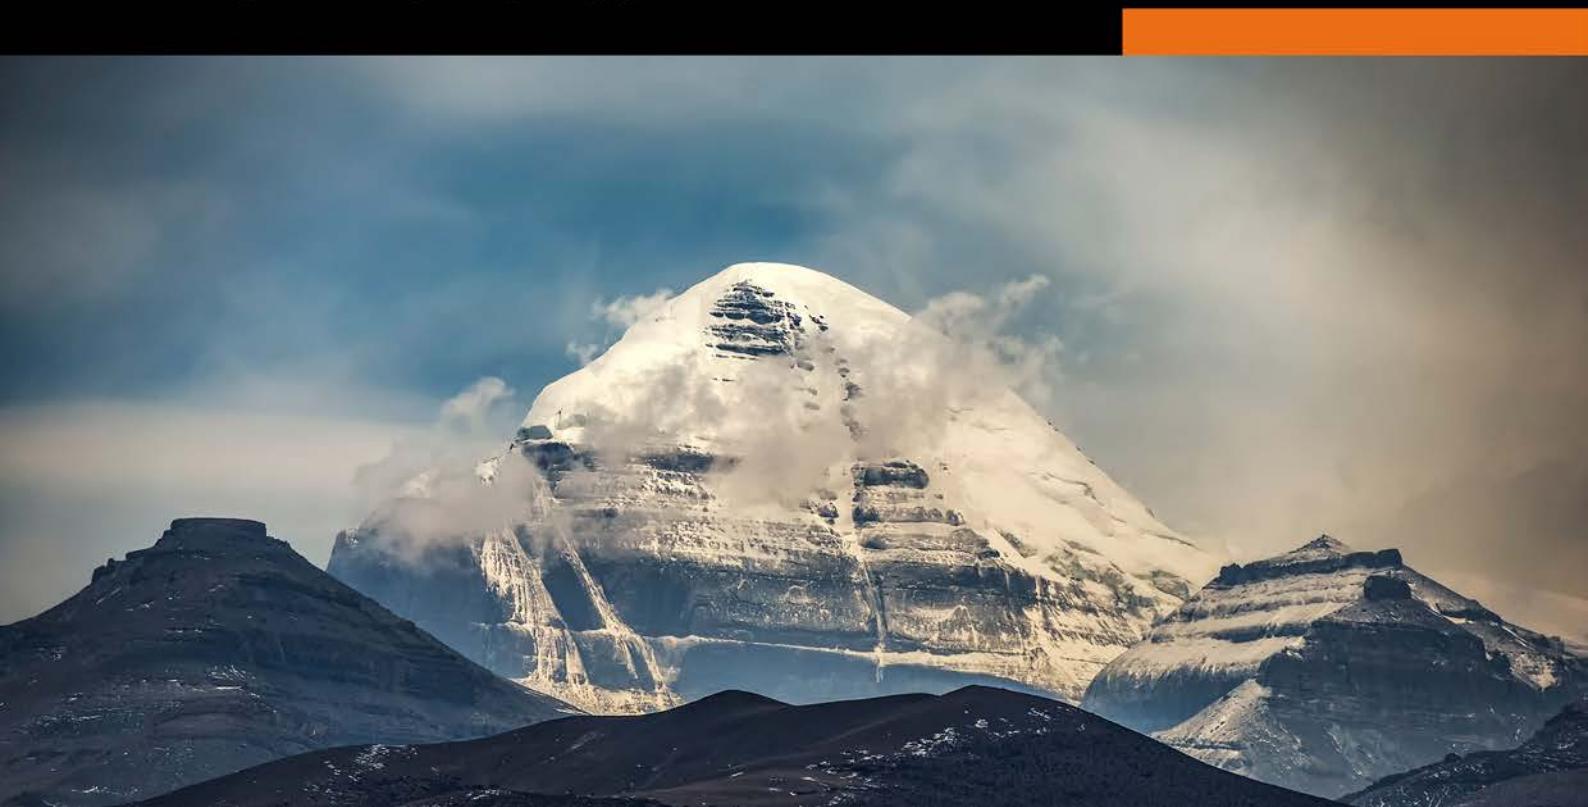

STAY Vienna Sanhao Hotel

**DAY 11 | WEDNESDAY, MAY 13**  
**SAGA-EBC -TASHICZONG**  
**350KMS | 07 HRS | ALT 5200M**

We head towards the Rongbuk region, visiting the North Face of Everest Base Camp, one of the most iconic locations on Earth.

From here, we continue to Tashidzong (Everest Village), surrounded by Himalayan giants.

STAY Pingcuo Kangsang Oxygen Hotel or similar

**DAY 12 | THURSDAY, MAY 14**  
**TASHICZONG - PEIKU CUO - GYIRONG**  
**320 KMS | 06 HRS | ALT 2700M**

We visit the stunning Pikucuo (Peiku Tso) Lake, with Everest towering in the distance. The drive back towards Gyirong involves gradual descent, which helps our bodies recover from sustained high altitude exposure.

STAY Kangyang Hotel

**DAY 13 | FRIDAY, MAY 15**  
**GYIRONG - BATTAR - CHITWAN**  
**230 KMS 110 HRS**

We exit Tibet via the Rasuwagadhi border, complete formalities, and re-enter Nepal. The journey back to Chitwan brings us full circle—from high-altitude deserts back to green lowlands.

STAY Soaltee Westend

**DAY 14 | SATURDAY, MAY 16**  
**CHITWAN - SONAULI - HOMERUN**  
**150 KMS | 04 HRS UPTO SONAULI**

Today we drive back towards Sonauli Border and onward to our respective destinations.

The expedition officially concludes, but the bonds formed, challenges overcome, and memories created will stay with us forever.
